## what we offer to Safeguard children & adults

Gaining knowledge from safeguarding inquiries, local and national adult safeguarding reviews, and recent policy changes can offer valuable learning opportunities.

The latest updates and emerging insights from safeguarding inquiries present great potential for continuous professional development (CPD) for all Havering professionals.

### 7 minute briefing

### Newsletter

### Training Newsletter

Havering Safeguarding Partnerships regularly produce 7 minute briefings as a quick and simple way to share learning in team meetings, supervisions etc.
